“ I first met Pete when we were both working for Duke Power at Lake Wylie. He was a good friend to me and my ex-husband. I didn't know that he had passed until today.

“ My brother, my friend. We had a lifetime of living from Mr. Keanan's vo-tech electricians class, the West Greenville cotton mills and the time your nose got busted when we were out cruising the trails in my jeep. I will truly miss you and will keep you alive in my heart and memories.

Mabel, Tony and Patty I am so sorry. Pete and I had just started talking and visiting regularly. My prayers and love are with all of you and your families.
