

Miss. Amanda Levone Asmer

June 1, 1991 - July 12, 2018

"She's in the Sun, the Wind, the Rain, she's in the air you breathe with every breath you take."

"She sings a song of hope and cheer, there's no more pain, no more fear."

"You'll see her in the clouds above, hear her whisper words of love,
you'll be together before long, until then listen for her song."

“ *Amanda, You were such a beautiful, beautiful girl both inside and out. You loved your mom and your little girl SO much. You were a true friend, always very genuine. I dont think I can think of ONE time you acted fake towards anyone. You had the most amazing eyes, gorgeous smile. You will be VERY missed Amanda. They say it's not the length of life but the depth of life. Girl you loved with all you had, you took risks, you lived your life so fearlessly. If there was something you wanted you went for it. "Goodbyes hurt the most when the story was not finished..." But it isnt really goodbye right? You are still with us, watching Skye grow, hugging your family...you are here. Fly safe and high beautiful angel. Love you so much Amanada!!!*
