“ *You were the anchor to so many people without even knowing it. You were always caring and loving and had that crazy laugh when you were being devious or debil "devil" as I called it! :-) You will never be forgotten and always missed...suffer no more and rejoice with the lord, we will see you again....you were our Angel from heaven for so many years already, it was time to go home.*

“ *Girl I loved you from the first time I met you. No one told me anything till you were really sick and then you were gone. As much as you missed my Joe I know you left this place with Joy. I'm on my knees praying for you both. I love and will always cherish you.*
