“ My sweet brother I am going to miss you sooo much. What a privilege it was to have you living with David and I for 2 and a half years. All your life you lived a selfless life, always taking care of your family.,The only way I can cope with your loss is to know where you will spend eternity and that now you are pain free and resting in the arms of Jesus! For a long time this will be a huge void in my life.We have shared many memories over the years. Thank you for being my big brother and I will see you in heaven one day. I hope you know I loved you dearly and you will be in my heart forever!! 🙏🙏💕
