“ *BF, like ALL the Miller boys was a rascal! He was more than a mess but one of the kindest souls I knew. He always had something funny to share and anyone that ever heard him laugh is smiling now as you read this. He forever had a certain kind of "grin" that let you know he was up to no good. He will be greatly missed.....we are praying for the family. Love you all, Gary & Misty T.*

“ *Papa you were the strongest man I have ever met. You went through a lot but you always kept fighting and never gave up. We were at the house the other night and Hazelee was waiting for you to come down that hallway to see her, like you always did when we were there. She couldn't figure out why it was so dark back through there. Nothing will ever be the same without you. These kids knew where papa was when we cam over and that you always came out to see them. I will miss you so much and can't wait to see you again.*

“ I’m so sorry I couldn’t find you and come see you one last time . I’m sorry no one told me before you left us. I still remember so much about you. You were truly a caring soul. Thank you for everything you’ve done for me and the memories we created. I will never forget you. I love you so much Papa Miller I just hope you can see it from your new home . At least I know where you are now.
