“ Chuck was a good friend to me for ten years. When u needed some help he was always glad to help. He cut my and neighbors grass for years. And we always look forward to him coming every time. Chuck was a wonderful person to anyone he met and I am going to miss his joking sense of humor and his smile. Donna, you did a great job raising your son and be proud of yourself not matter what happened.

Chuck I still have a problem of you being gone. I will always think of you as my crazy son-in-law because you weren't afraid to try anything new. The laughter and pranks will always be in my head. Becca lived you so and I know you two had talked about reconciling your marriage. One day you two will be back together.

“ Chuck, you're family and always will be I love and miss you, I remember you took us to see the waterfalls, you took us to the fair and helped me get over a fear of the 60 ft drop ride, you were, are, and will always be one of my favorite cousins. Thank you for being in my life, my mothers life, and my brother's. You helped us in our darkest days and brightened them with your light. I love you.

“ *Chuck, you are still part of my family. You were a part of it before you and Rebecca got married. On July 9, 2007 y'all became man and wife. You was a great guy and good to those in your circle. When you get to Heaven hug Ronnie and Deanna for me. I will always miss you son. Godspeed as you receive those wings and become whole.*

“ *Chuck was a wonderful person and a great father who loved his son so much, it's truly a tragedy how things ended for him. I just seen him Tuesday morning a couple hours before he passed and he was so broken by his current situation. I wish things could have been different between him and Beth for the better . I send my sincere condolences for his family and sweet baby . Chuck will be truly missed .*
