“ I could write a book....my precious Courtney, my heart is shattered! I am eternally grateful for the 16yrs I had you as my best friend. Gary, Lisa, Ash and Garrett, my heart hurts for you all. The pain you've endured in this life time is so undeserved! I love each of you and am honored to be a part of your family. Courtney is now watching us from above, she is finally at ultimate peace and will live on through all of us who loved her forever. I will daily hear her laugh and be able to close my eyes and see her sweet smile, on your hardest days search the deepest parts of your heart....thats where you'll find her 💕💕
