

Dana Ann Carter Jones

October 27, 1974 - October 20, 2021

Dana Ann Carter Jones, 46, of Taylors, SC. went to be with the Lord on Wednesday, October 20, 2021.

Born in Greenville, SC, she was the daughter of John Luther Carter and Shiela Diann Burris Carter.

Dana had a heart for helping others; whether that was through her time working in insurance, aiding in vacation planning, or offering a hand to family in need. She was always kind and made everyone in the room feel welcomed.

She loved spending time with family and friends, making her famous mac and cheese, and planning trips to the most magical place on earth, Walt Disney World. Dana believed that laughter is timeless, imagination has no age, and dreams are forever. She was brave like Merida, gentle like Snow White, smart like Belle, optimistic like Cinderella, and sweet like Nala. For Dana, the best part of Disney World was being there with her family where dreams and wishes come true.

Even though Disney movies were her favorite, Dana also enjoyed watching home improvement and cooking shows. Some of her favorites included 'Love it or List it' and 'Chopped'. She often curled up on the couch to watch tv with her granddog, Waylon; who affectionately knew Dana as "Mimi".

Dana enjoyed and made the most out of every second. Dana's lighthearted nature led to many impromptu day trips to various estate sales and car karaoke sessions, Apple Bottom Jeans included. Being around Dana was to be in constant sunshine, there were rarely any moments she wasn't smiling or laughing. She was a constant reminder of how good life truly is.

Dana is survived by her beloved husband Brent Jones, daughter Kelsey Jones and son Bennett Jones of Taylors, SC; her beloved brother Austin Ray Carter and wife Rosailin of Simpsonville, SC; and brother Jonathan Luther Carter of Taylors, SC; dear sister-in-law Kelly Roseberry and husband Chris Roseberry of Greenville, SC; beloved nieces and nephews Tyler Roseberry, Hunter Carter, Nate Carter, Svetlana Roseberry, Ethan Carter, Andrew Carter, and Lily Ann Carter. Dana was predeceased by Papa John, Grandma Diann, Meem, and Mama.

“ *I had the pleasure of knowing Dana through family visits. She was a wonderful person as we remembered. A wonderful mother, wife, family and friend to the people she touched in her life. She thought the world of her family and was so kind hearted. She will be truly missed. May God touch and comfort her family with peace and strength during this hard time. This world is the womb to heaven as, we are taught and learn about our Savior Lord Jesus Christ which, prepares us for eternal life. Our deepest sympathy goes out for her family and friends. “ *This is such a shock and so very heartbreaking! Dana was my happiest memory of working at Liberty. We were work buddies and always had so much to talk about. We were pregnant together and our girls had lots of play dates when they were younger going to birthday parties, holiday parties and park play dates. We spent hours talking on the phone together about our kids, Disney, Gymboree, Liberty, absolutely everything. She was definitely my best friend during those years we were together. Sadly after we both left Liberty we got busy with life and lost contact. That is one of my biggest regrets but I will always cherish our friendship. She contacted me recently to ask if I could be a reference for a job application. We chatted briefly about Disney and our girl's first year college experience. I so wish I had kept in better touch with her. I will pray for her family. 🥺🙏*

“ I had the pleasure of working with Dana for 5 years. When I think of her it is her smile that I remember. She was so kind, giving and thoughtful. She was always a part of the birthday surprises in my office every year and these surprises always brought a smile to my face and joy to my heart. In the last year and a half I had the pleasure of getting to know her better when we met for lunch each month. When everything went crazy with Covid Laura, Dana and I decided to have lunch once a month. These were such fun times and we laughed so much. It was always a joy to be in her presence and feel the love and caring she had for us. I am so blessed that she was in my life and she will be missed SO MUCH. The wonderful friendship we had and the beautiful memories we all made together I will cherish forever.

*I love you and miss you,

“ Little did I know when Dana was hired at NFP, aka Corporate Benefits, 16 years ago that she would become my closest and dearest friend. What a blessing to work with your best friend! We laughed every single day. We also shared days of sorrow, hardship, sickness, joy and happiness!

We shared a love of family and everything Disney! If one of us weren't planning a trip to Disneyworld, the other one was or had just returned from there. We always talked about our families going to Disneyworld together one day---what fun that would have been!

I have thousands of cherished memories, all of which put a smile on my face. Probably the funniest is when we would try to out do the other one decorating each others offices on birthdays. All memorable, especially the beautiful bouquet made of Little Debbie Nutty Bars. One year I got a little carried away with the decorations which covered most of her wall, desk and doorway. I was proud of my creation until I realized that it looked a little like the scene from Steel Magnolias where M'lynn said that the sanctuary looks like its been hosed down with Pepto Bismol. Yes, a bit too much pink that year-but we laughed!

Dana was the kindest, most loving, caring, thoughtful person I've ever known. She made me a better person by always looking at the positive, always seeing the glass half-full, always sharing her "light" with everyone who knew her.

Dana, I love you and cherish the memories, along with our friendship!
