“ Dannie, you came in my life when I needed you most and I will be forever thankful and grateful for you. We have such beautiful memories together and the love that we shared is unmatched. I can't never thank you enough for loving me and taking care of me and protecting me and providing for me. You are one of a kind and no body could ever take your place. You are the last man I will ever love, you were the best husband any lady could ever ask or want for. Don't worry about me. I will find my way through this life without you. It's not gonna be easy, but I will make it I absolutely love you and miss you our house is not a home without you in it. Just save my spot beside you and love our babies. I already know you're the best daddy in heaven. Until we see each other again handsome, just know how much I love you and miss you.
Love from your wife Pam.
