“ *Devin, you were an amazing friend and “boyfriend” to me while we were in middle school. I just found out that you were gone today.. I feel so sorry that I wasn’t there for you throughout the years and that we grew apart. If only I could have been a better friend to you. I miss you so badly. You had a smile that could light up an entire room and a laugh that could make the entire room go quiet in awe. I hope you’re in heaven watching down on all of us and I pray that your family is okay.*
