

Donald "Donnie" Ray Walls

May 17, 1951 - July 21, 2024

Donald "Donnie" Ray Walls, 73, of Marietta, SC went to be with the Lord on Sunday, July 21, 2024.

Born in Spartanburg, SC., he was the son of Jesse Ray Walls and Mary Lois Culbreth Walls. He worked in carpentry for many years.

Don, (as he liked to be called) was a loving and devoted father, an avid sports fan whose favorite team was the Braves. He loved music of all kinds, had the best sense of humor and loved going to his favorite Spartanburg restaurants with his family. He never needed a map or got lost and was the best at navigating country back roads, which were his favorite. He spent his life's work as a carpenter and craftsman and could fix anything. There was never a challenge too difficult. His favorite thing to do, besides being with family, was being on the golf course with friends over many years. He also enjoyed winning a lot.

One challenge that he had yet to overcome was the loss of his wife of over 40 years, after caring for her for many years as she endured illness from COPD. He was never quite the same after her passing. They are now reunited at last.

Predeceased by his adoring wife Lynda Walls on July 21, 2022 (which is the exact same date of his own passing.) He was predeceased by his brother

Charles Walls and sister Helen Dye.

He is survived by his sister Carolyn Gallman and nephew Barry Williams "Donna" and a host of other loving family members.

He is finally survived by his daughter Jessica Walls Loudermilk and "Josh" two step children Jay Benson and Darbi Herron as well as three adoring grandchildren Austin, Lexi and Caleb.

A Celebration of Life Service will be held Sunday, July 28th, 2024 at 3:00 PM at New Liberty Baptist Church 1798 North Highway 25 Travelers Rest, SC 29690. The family will receive friends following the service.

“ I couldn't find anyone to till a large place for a flower garden. Donnie, my step dad came 45 minutes out of his wal and tilled 2 big areas for my flowers. My wild flower garden was the prettiest and lasted several years! He and mama are together again! Darbi Herron
