“ I was thinking about Gracie this morning and went online to see if I could get in touch with her. I am SO very sorry to learn of her passing. I knew Earle from the shipping business and Gracie and I worked together at John S. James Co. Remembering her fondly, she always had a smile and we appointed her the “official birthday cake maker” for our employees. No question how much she loved her family and her God. I am sorry I did not know sooner to send my heartfelt condolences. Jackie Adamson, Charleston, SC

“ I'm so sorry I did not see this last month. Gracie and Mary Ann were both very special to me at a time when I really needed friends. Gracie had such a sparking spirit I'm sure heaven is even brighter now that she is there. She will be sorely missed.
