“ *It's a small world. Carolyn, I was married to Tim Spargo who learned the plumbing trade from Grady and the Ray Durham family. Randall Durham (Rip) his wife Debbie were great friends back in the 1970s. Randall and Tim used to affectionately call each other "Grady". They thought the world of your brother. I'm assuming Terry is named for Grady Terrell. I'm so glad to know this connection we have in addition to yall being part of the Blackstones family through your wonderful son Terry, Angie and Corbyn. My heartfelt sympathy goes out to you and your family. Losing a brother is very difficult. I love you guys and will be praying for you, Nancy Blackstone*
