“ *Heidi and I were friends in middle school through High School. She had just introduced me to her husband at Heritage Park. Bo it's hard to say Heidi without saying Bo. Thinking of you. To her daughter remember all the good times. Peace be with you all in the days to come.*

“ *My sincere condolences to the family. Heidi worked for me at my jewelry store for many years. I watched her grow from a giggling teenager to a beautiful adult. She was like family. I know she will be missed.*
