“ Johnny and I have been friends since junior high school. My favorite memory then was during Christmas break: He had been to the beach, came over to my house, and taught me a new dance - The Shag! We always laughed a lot. God bless each of you as you go through this difficult time.

Thinking about and praying for you Donna and family. He was a sweet and talented cousin. Hate we did not have much opportunity to see each other except at a few reunions. 🙏🙏
