“ *I am so sad I just found out that Joey has passed away. I worked with him when he was a volunteer at the Louisville Zoo in the 1970's. He loved animals so much, but he worked in the commissary when I knew him. He moved to Florida and contacted me, we reconnected and I visited him. He was always so much fun and always had big plans. I tried to call him when he moved to SC, but he couldn't come to the phone. He was the sweetest guy, I am so sad I won't get to visit him anymore. RIP Joey Bear the animals are happy to see you at the zoo in the sky*
