“ She was my Daughters babysitter at one time & Al actually met Kay thru the Guy i was in a relationship with at that time; they were semi close Frienamies.. Conversation led to Confirmation!! It's like a puzzle piece that finally fit... The following Year & Sum change I grew to know her more and more, even the uglier half(her husband).. She's the prime example off a Boss Lady... Her drawings of Animation Advatars and Marvel drawings blew hollywood off the charts.. I miss her, we understood ones emotional pain, our friendship and bond lives on..KarmaLowKey
