“ There are many great thoughts and warm memories of Linda, but the best memory that i can tell you is that no matter day or night, whenever you wanted to talk about anything, she always would say come in and would chat as long as you wanted to. Always warm and caring ,always felt happier after a visit. I will miss her greatly. Rest in peace linda, i love you!

“ Every memory is a great one with naney, but my favorites are the times we would do the little things together like walking to starving marvins and getting ice cream and sitting on the hill beside the station and eating them. I also loved when she would point out all the places she lived and like to frequent as a child and throughout her youth! :)
