“ *Granny, I love you so much, I hope you know that. My whole life you were always right there, making sure I was okay.. you were the only mother I ever knew, and you were the best, I couldn't thank God enough for blessing me with you in my life.. idk what to do without you, it's honestly a scary thought, and my heart literally hurts. But I know your not suffering anymore, and that you're with Douglas and daddy and everybody else up there... Please tell everybody I love them, I love you too, and miss you so much..*
