“ Praying for you guys! We loved lori and had the opportunity to know her and be her aunt and uncle. I had the honor of keeping Colby. She loved her babies. God says: he will not place anything before us that we can not handle cause he has a plan. Even though this pain is unbearable, know she is in a better place than us with no more pain and suffering. The eternity we all long to be oneday. We are praying for you all and are here to be the footprints in the sand to carry you however we can til we meet her again.
