“ I’m so sorry to hear about Margaret’s passing. I have a lot of good memories of Tom and Margaret when they owned Sweetwater. I’m also happy that we were able to see each other a few years ago after losing touch. RIP Margaret.

“ I wish to send my heart felt condolences to Margaret’s family. Margaret and I were friends for 42 years. I have many fond memories of our time together. Most of them are of she, Tom, and I camping. We started out tent camping then later we had campers. We did a lot of hiking together and some geocaching, which was always fun. She could often identify nearly every tree in the woods, no matter where we were. I have lost one of the best friends I have ever had. She will be missed by many. She was also my memory. She rarely forgot a thing. She could always remember where we were and what we did, no matter how long ago it was. My love, heart, and hugs go out to all of her other friends and family.
