

Natalie Rose Otero Rivera de Hendrick

April 12, 1966 - October 23, 2024

Natalie Rose Otero Rivera de Hendrick passed on October twenty third, two thousand and twenty four, at the age of fifty eight.

She was such a caring person that even during the last chapters of her blessed life was asking people if they were okay or needed anything. Natalie had such a true respect for everyone she welcomed into her life. She traveled all around the world with her beloved husband, Allen Hendrick and raised her only daughter Raquel Hendrick-Otero with the same care and respect she illuminated.

Natalie worked many different positions including: hostess at her and her husband's restaurant Abanicos, event planner, opened and managed her venue La Isla Eventos, and kept books for El Quetzal.

She loved to dance, be with nature, decorate, travel, drink piña coladas on the beaches of Puerto Rico, make music with her sisters and brother, take her nieces and nephews out, and go shopping with her daughter.

Natalie deserved so much in life and was always surrounded by the people who loved and cared for her.

Sleep in heavenly peace Natalie. We love you.

*I'm sure she will be missed. May this scripture bring you comfort Isaiah 26:19
Your dead will live. My corpses will rise up. Awake and shout joyfully,
You residents in the dust! For your dew is as the dew of the morning,
And the earth will let those powerless in death come to life
