“ *Tim and Matt*

I just learned of your mom's passing. I was married to Lane many years ago and your mom was always such a great friend. I recently reconnected with her on Facebook. My heart is so heavy for your loss. I know she is flying with the angels. May she rest in peace.

“ I had the pleasure of working for Pat at Woodlawn over a decade ago. She was one of the most kind and gentle souls I have ever known. Pat was always so elegant and professional and such fun to be around. We kept in touch through FB over the years and she would randomly reach out to me and see how I was doing. She was always so supportive of me and who I am. I will always be thankful for that. I will miss you Pat.

“ Lynn, Tim, Matt, and families~
I am sorry to hear about Pat's passing...earthly loss, heavenly gain.
You all are in my thoughts and prayers as you grieve this loss.
Pat always greeted me with a smile and her laugh was contagious(it echos in my mind as I recall times with her)!
Blessings to those she leaves behind 🙏

“ Pat was like a second mother to me in my younger years. Matt and I are both from Greenville, but we did not officially meet until our first day of college in Atlanta. I quickly learned that Matt thought as highly of his mother as I did of mine, and that was something I could relate to.

Pat welcomed me into her home many, many times over the years. She was always game to sit down with a glass of plum wine and talk with us crazy kids. She was like that, ever-welcoming and open-minded. Curious. And a lot of fun to be with.

She loved her children with all her heart and would stop at nothing to make sure they were happy and safe. She instilled in them the values of friendship and caring, and I see those values in Matt to this day.

She will be sorely missed by her family, but also by a huge swath of her children's friends who had the fortune to meet her over the years. Much love to all.

“ *Tim and Matt,*

I share your grief at your mother's loss. She was always a kind, loving, and gentle soul to me and my family. I have many fond memories of her and our time together, and I still display the plate that she purchased for my grandmother over fifty years ago. "Count the sunny hours and forget the rainy days" is the quote on the face of it - and that epitomizes Aunt Pat's spirit to me. May God bless her memory and all of you in your time of loss and need.

*Love,
Lonnie*

“ I am sorry for your loss. May She Rest In Peace. She has Her Angel Wings now.

She lived in the same neighborhood as my Daughter and her Spouse and my Granddaughter. I had the honor to meet Her when She came over to my Daughter's house. Pat was a very kind person.

“ Pat will be missed. She was my second cousin but I always considered her my aunt. Most of my childhood memories involve time spend with Pat. As well as many wonderful memories with her as an adult. She lit up a room.
