My first husband was a real good friend of Pat's. He worked for him and socialized with him. They were good friends. They enjoyed a lot of the same things. His name was David Harris and I'm sure if you mention his name to any Hawkins they will remember. Even Joy. So sorry to hear about Pat. I know he and David are catching up right now in the presence of the Lord. God bless the Hawkins family in their time of grief.
