“ *I just learned of Paul's passing and it absolutely breaks my heart. I could see his smile coming for a mile when he came to get his hair cut. He was a true friend to me and I'm so glad we kept in touch. He shared photos of his beautiful grandchildren with me often and you could tell they were his world. Paul I love you and I will see you again and expect a big bear hug from you!!!*

“ *I remember meeting Paul when we both worked at Chestnut Hill Hospital back in the late 1980's, and attended Parkwood Baptist Church thereafter; He had a gift for being able to connect and talk with everyone in his quick witted way!! He certainly was a " big brother " to Randy, Ricky, Connie, and Susan, as well as a dedicated son to his parents. I can see that he was an excellent " Papa " to his beautiful grandson and granddaughter. I'm sorry that we were unable to share hugs, memories, and a visitation during this time, but know that I am thinking of you all, and sending love and prayers your way.....*

“ Aunt Elouise, Randy, Connie, Susan, Ricky
May God be with you all on this sorrowful day.
May he touch each of your hearts as he sees
they need to be for them to be helped through
this time. Just know that my prayers are with
all of y'all and I love all of y'all. Hopefully when all of this is over we
can get together for a reunion or a cookout.
