*Dear family, the side of my house is feet within the collision. The driver of the Kia was mostly concerned about his passenger, Emily. I walked around the car and looked in the back. No one was in the back. I opened the front passenger door and there was Emily. I began talking to her with no response and kept watching her. When she wasn't moving, I began praying with everything that's within me. She didn't seem to have been in pain at any point. She looked very peaceful. My belief is that she was gone upon impact and didn't suffer.*

*My only sibling, brother, left this world at the age of 28. All I could think of was that a family was going to be notified in the early morning hours that their loved one was gone as we were. I'm praying the Peace of God over your family with His Love, Grace, & Mercy around each of you.*

*Emily was a beautiful person.*

*My deepest condolences,*
