On Wednesday, September 14, Richard Orville Hohn, a beloved husband, father and grandfather, passed away. He was sixty-three.

He is survived by his wife, Lisa Hohn. They were together for over twenty years. He was born in Beaver Falls, PA, to the late George Hohn and the late Maxine Hohn. “ *Richard was truly one of a kind. Would always lend a helping hand to someone. I am proud to have him as nephew, but was taken way too soon. May the memories you have help you each get through the days ahead. My hubby so loved it when he had given him momentos that he acquired while working for coke company and I will cherish them even more now. Love to each of you and you have my deepest sympathy. “ *To Richard's family, I am so sorry for your loss. He was our uniform driver here at SCDOT in Laurens and will be greatly missed! He was a nice man and loved to talk about his new grandchild, wife, camping, and his dogs. You and your family are in my thoughts and prayers. -Rebecca Smith*

*Rebecca, Thank you so much for your kind words and prayers. He truly was a wonderful man and a blessing from God. I don't know how I will navigate this life without him here.
