“ *The measure of life includes the impact you make on the lives of others. In addition to the Blessings and life lessons he gave to his son, and the dedication to his fathers needs, the tears and hurt that a 3 year old and 5 year old are experiencing demonstrate his ability to positively impact others with his unique gifts. Quiet and unassuming but making a difference and possessing little gems of wisdom and fun. That describes my friend and part of the multi grandparent team we are blessed to be members of! Love to Linda, Rob, Beth, Reagan, Nora, Logan, Leyette and all the family.*

*Bo was a beautiful person that Would engage in conversation about life and the love of his music, usually prior to every performance. One of the finest harmonica players I ever knew and he will always be a legend in his time.
R.I.P. my friend.*
