From me,my boys, and Shannon, we loved you so much uncle Sylvester we will miss you. I alone now get to hold the memories of when I was little and you visited with ice cream and we would watch looney toons together you would call my your little tweety bird. That was a long time ago but I still remember it to this day.

“ Mac i just wanted to say I'm at a loss of words to describe how I feel right now. I'll always remember the talks we had and the advice you gave me. I'm proud to call you my friend even though I honestly think of you as my family. You were in someways like a father to me and I'll forever miss you. Love always brack
