“ Terry, my friend, you left us way to soon! We had a lot of good times together. We cut trees from the front yard. You were worried that the tree would fall on the house and Celeste would be mad. I said lean on the side of the tree closet to the house and don't worry I know what I'm doing. I've still got the "Wedge" from that tree and use it for a dorr stop. We sat on the front steps and had many cold refreshments on hot days.

The first time you saw me come home from Navy Reserve drill in my uniform, you asked what is the Navy doing in Greenville? I replied, Have you seen any Russian boats in the Reedy River lately? Well, then I must be doing my job and keeping you safe. You almost fell over laughing.

So as we say in the Navy, "Fair winds and following Seas my friend" Your journey through life is done, rest easy knowing that we will carry on.

My Love

My best friend

My heart beats for your laughter, 33.5 years together I will never forget where you and I started and here in 2024 You still had those final words of "Be Good!!"

Tears falls upon my cheeks because I already miss your face, I promise to stand strong and lean not on myself but share the truth how we conquered the many obstacles we shared.

Man, You took your wings and your promises were done, 'GOD has you now and He will care for Us as we travel on the pathway to the Salvation Jesus has in store for Us.

Rest In Peace and know you Made It Baby!!

The Memories of Us will be my greatest stories. 🤔🤔🙏

“ I was sitting in the Midland Airport last summer waiting on our plane to arrive and Terry sat down beside me. We struck up a conversation and he said he was down visiting family and was heading back to SC. He had just gotten off the phone with his daughter, I think, and we starting talking about fishing. I told him I was off to Alaska to fish and he told me how much he loved salmon. It was like we had known each other for years but had just met. I know he loved his family and was already talking about coming back to Midland in 2024. Over the past year I have often thought about him and how he was doing. I am so sorry to hear of his passing. My prayers go out to the Allen family.

“ Rest easy my friend. I will always be right across the street to fill up your daughters tires, pull toys from your grandson's nose that his sisters convinced him to stick in there, or if your wife just needs a helping hand. It has been an absolute pleasure knowing you these past 7 or 8 years.
