“ *He had three sisters and one brother. All his life is a lie. He was a thief and a bastard and I should know because I was his sister my mom was his mom. Next time this family butts us down they will answer to God. They act like my Mother never exists but he wouldn't of been born and my Mother wouldn't have died at 26 if she never met his sorry ass dad. He was a drug addict and I. Hope you see your real brother and he will make you his bitch. Kimberly Ann Blythe. Dauther of Marther Ann Blythe not crowder. Now I can change her name and there's not a damn thing any of you can do about it. One sorry family.*
