“ I am deeply saddened by the loss of someone as kind, steady, and genuinely good-hearted as Butch. Working alongside Butch was a gift, but knowing him as a friend was an even greater one. Please know that you are in my thoughts, and that Butch’s warmth, humor, and spirit will be remembered by all of us who had the privilege of knowing him.

Wishing you comfort and peace during this difficult time.

“ *Butch and I went to school and graduated together back in '69. We hung out together a lot back in those days, hot rodding and cruzin cars, and riding motorcycles. I recently was fortunate to be able to spend some time again with Butch, on Fridays for breakfast. Nothing but great memories. Rest in peace my friend.*
