“ *Family is such a funny thing. You're born and raised with whomever God gives you at the moment but as time passes you find the true family you were supposed to have. Tina and I connected on Facebook. There's that old adage, sister's from another mother. We shared the same Father but grew up apart. In different States and different homes. I had the happiness and joy of spending time with her and finding out what a real sister is. Tina was so kind and loving. She'd give you the shirt off her back and never once think to ask for anything in return. I'll miss our funny jokes, our bizarre family history and the joy you felt over Zippy and your ponies. We'd laugh about Cercy and her attitude, happiness with Ralph and the greatest friend in the world Chester. I'll miss the memories we were unable to make but cherish the ones we did.*

*Love you. Sister

“ I am shocked and saddened to hear this news. I went to high school with Tina. We were not friends back then but reconnected through Facebook over the past several years. I saw her occasionally in Petsmart and she was always so kind and friendly. She was super helpful when I was having issues with a new kitty. Tina was friends with my two brothers in law. She genuinely cared for them and was so sad when they passed. She kept beautiful flowers on their grave markers. Prayers for her family and her boyfriend.

“ Tina taught me so much in the two years I worked with her. All of my knowledge of animal care is all thanks to her. I wouldn't be where I am without her, thank you for being a mentor to me. I won't let you down

“ I was fortunate to have worked with Tina and the legacy she leaves behind will affect the way we do things at PetSmart for a very long time. On a personal level, everyone of us who knew Tina and worked alongside her whether things were going well or not will remember her with great affection. “When all is said and done, however much you like your work, it's the people that you meet in it that really matter.” Tina was someone very special and she has left us a lasting impression. Tina, we're really going to miss you.

“ Tina was a good friend. I loved working with her at PetSmart in Greer. She championed me showing PetSmart Koi and Goldfish at the Greenville Koi Shows. Everyone of our entries won a ribbon, four years in a row.
Tina loved her ponies. They were her pride and joy.
I'll miss seeing you my friend when I visit Greenville.
