“ Dear Jeana and family what a privilege to watch your family serve the Lord together. My first memory was of your family (you pregnant with Trinity, joining us to pass out VBS fliers! I did not have the privilege of knowing your parents. I can see their influence in you. Your mom's name has been faithfully brought up for prayer over the last several months at GBCWC. I just realized who she was. Obviously the people there loved your parents. Praying for you all in the days to come. ❤️

“ Dear Weiss Family. What a previous family! We watched as the four of you grew from being little to being all grown up! Your Mom and dad led each of you in a loving kind way. Above all watching as they led in a Christ like way. You grew to serve God, different ways but always serving God. Working with your Mom and dad in our children's group was a blessing. I will always remember their sweet sweet spirits. Always put God first. That would please your parents more anything . We love each of you and will continue to pray for you.
