“ Gosh I Remember....

Playing basketball on the Seelye court. We were a team. Alan would bring 2 man teams to play us. As I recall we beat most of them. With his outside accuracy and my inside game we were hard to beat.

Arther Holbrook team bicycle chases. The boundaries were Southside Court and McBray Again it was Steve and I. We out smarted the competition. The start and finish line was the big tree. We would go to downs lane and cut through to the railroad tracks to his house and get back to the big tree before anybody found us.

Steve did not have a bike. So in order to get to Night Owl he would get on the handle bars of my bike and away we go.

Street football in front of Henry Holbrook's house, Telephone pole to telephone pole and sidewalk to sidewalk were the boundaries. When we were on the same team, he was QB and I was the wide receiver.

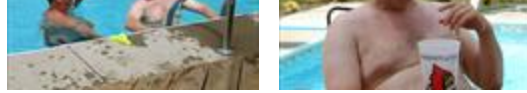

When Steve did get a bike, we would ride to Iroquois Park and sometimes sneak out the back. One time we almost ended up in Shivley.

There will be others that I will recall in the coming weeks and months.

Good bye my friend. I will miss you
